IN FROM THE COLD

What's the coolest thing to hit Brisbane this summer? Yogun Fruz, which isn't a Swedish hairstyle but the latest guilt-free fast food – frozen yoghurt. Australia has joined the fro-yo revolution with the first Yogun Fruz store opening in Albert Street, city, last Friday. While being entertained by the Nova 106.9FM team, probiotic-hungry crowds queued for their first taste of the icy cold goodness, served by the women who started it all, Brisbane locals Jenelle Moloney and Larn Qui.
